You seem to be taking this summoning pretty well
I'm Student, beloved by all!
Nice to meet you!
Watches over heroes
Student(Global state)
Being summoned is always unreasonable, so just accept the situation.
Hey there, Hero.
Watches over heroes
Assassin(Retval)
you have my sympathies.
being suddenly summoned,
You must be confused after
Watches over heroes
Princess Shrine Maiden(Salendaria)

Hero Freeter
(Zofiruk->Sansaman)

7 Hero Hero
So, like, you also got summoned, Freeter?
Is this, like, totally normal?
That's, like, sooo unreal! lol

8 Watches over heroes Assassin
lol You again, Freeter?

9 Watches over heroes Student
Freeter, you're in a completely different world now? lol

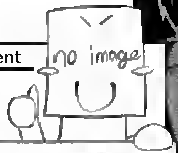
10 Hero Freeter
Well, this time we had a party of 2 guys and 3 girls for beating the demon lord.

T/N: Shortend Princess Shrine Maiden to PSM cause it wont fit otherwise

But the other guy got himself a harem, while I was just ignored

11 Watches over heroes: Assassin
Yeah, that happens, man lol

12 Watches over heroes: Student
Don't worry about it, Freeter



13 Watches over heroes: PSM
I'm not sure what to say..

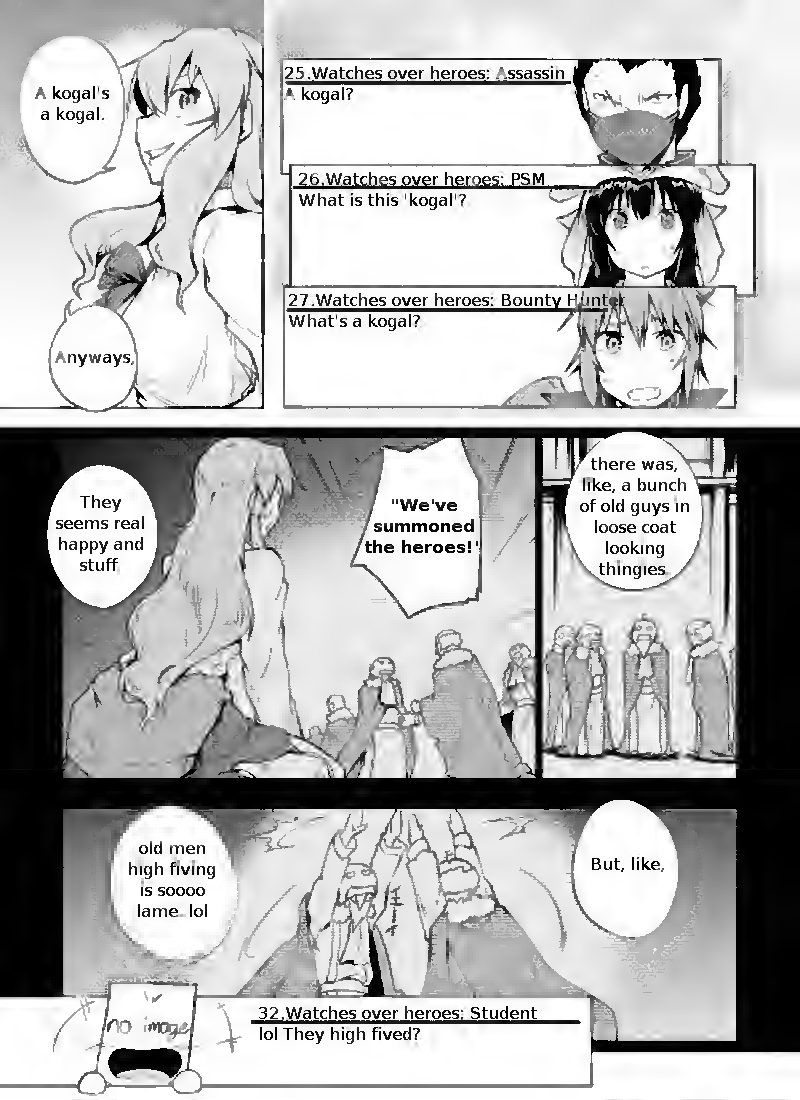
14 Hero: Hero
lol Like, is that for real?

16 Hero: Hero
A bounty hunter
A princess shrine maiden
An assassin

Like, is this real? lol

17 Watches over heroes: PSM
Mmm, Hero?

18.Watches over heroes. Student
These sort of jobs aren t normal
in the Earth series worlds
Don t blame her for it
No image
19 Watches over heroes. Assassin
Somehow this one's
just irking me
So,
what s
your
situation
like?
Now,
now
21.Hero. Hero
Well, you know, I was just, like,
having fun all night,
so then I, like, took the train home, and fell
asleep on the way, then I was, like, summoned.
lol
22 Watches over heroes. Student
Say, is hero perhaps a kogal?
no image
Yep,
like, what
else can I
be? lol
24 Hero. Freeter
A kogal hero,
now that s a new one

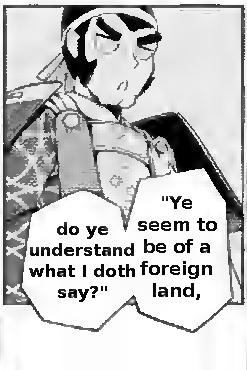


A kogal's a kogal.
Anyways,
25.Watches over heroes: Assassin
A kogal?
26.Watches over heroes: PSM
What is this 'kogal'?
27.Watches over heroes: Bounty Hunter
What's a kogal?
They seems real happy and stuff
"We've summoned the heroes!"
there was, like, a bunch of old guys in loose coat looking thingies
old men high fiving is soooo lame. lol
But, like,
no image
32.Watches over heroes: Student
lol They high fived?

Well, I did hear something
They gave, like, such a boring explanation that I, like, fell asleep
33 Watches over heroes PSM
Excuse me, this might just be my misunderstanding but, did they say hero-es-?
34 Watches over heroes Assassin
Huh? What?! How many people did they summon?!
but, what s this even about?
like, we re from the same world, they said,
They said something about two heroes,
36 Hero Freeter
Ah, it s about having 2 heroes work together
37 Watches over heroes Assassin
It s unusual, but it s happened before
That's just sooo lame!
I have to team up with him?
Huh?!

totally a samurai or something lol
This guy's, like
no image
40 Watches over heroes Student
lolwut?
41 Hero Freeter
Huh, a samurai?

I, like, only dyed my hair, I'm still Japanese lol
Just cause I'm a kogal doesn't I'm not Japanese lol



do ye understand what I doth say?"
"Ye seem to be of a foreign land,

They, like, told us to play nice and be buddies, and he's like

44 Watches over heroes Student
Whoa!
Haha!
A samurai!
A samurai and a kogal!
no image
45 Hero: Freeter
He's from the same world,
but he's from over 100 years ago.
46 Watches over heroes Bounty Hunter
Isn't that a problem?
The world is the same,
but they're from different eras.
47 Watches over heroes Assassin
Yeah, someone from the past
learning about the future.
I tried talking already.
What is this Japan kingdom like?
It's nothing.
50 Watches over heroes Student
What? But it was called Japan even back in that era, is it different in parallel world #7?
no image
Oh, but, Hero, since you've got a living specimen from the past, you can try learning something.
like, why should I study?
That's, like, sooo lame,

52 Hero Freeter
So, can you actually communicate properly with him?
Well, he gets what I m saying, and he s not, like, a psycho, so it s totes OK
When he saw the BBS he was, like, amazed, and called it mysterious and stuff,
I even taught him like, high-tech stuff lol
no image
lol
A samurai using technology lol
56 Watches over heroes PSM
In any case, aren t you going to be heroes together?
Oh, that?
You gotta hear this lol
Like, the guys who were summoned here before, their stuff is still here,
and, like, we re gonna be using it,

stuff like guns lol
59 Watches over heroes' Student
Ahahahahahahaha!
High-tech!
Oh, oh, and could you tell us just what kind of stuff there is?
no image
Huh? I don't know much about guns. There's, like, a bunch of pistols or something.
And
there's those big ones you see in the movies, y'know, the ones that shoot balls.
So, it seems there's handguns, rifles, and shotguns.
Then there's these long ones, whatever they're called,
they use them in the sticks to, like, shoot bears and stuff.

65 Watches over heroes Bounty Hunter
Wait!
Hold on!
Those are relics, right?
I guess, they re like, rusted and stuff lol
63 Watches over heroes Student
Can you use them?
I dunno, but don t you just, like, pull the trigger?
67 Watches over heroes PSM
What s wrong, Bounty Hunter?
68 Watches over heroes Assassin
Seriously, just stop, and don't touch them, got it? We have no idea how long they ve been lying around there
I guess They re, like, decorated
70 Hero Freeter
And when dealing with gun-
Wait! Don t touch them!
71 Watches over heroes PSM
Assassin and Freeter as well, is something wrong?

72 Watches over heroes Assassin
Listen here, normally with weapons, you regularly maintain them, you got that?
73 Hero Freeter
Princess Shrine Maiden won t understand that! Listen, it s entirely possible to lose a limb with one of these
74 Watches over heroes PSM
What?!
75 Watches over heroes Student
And Hero is a kogal!
A kogal who has no knowledge of guns!
And the samurai has probably never even seen a gun before!
There s a whole lot wrong here!
no image
Oh, the samurai has been fiddling with a gun for a while now
What a strange item They called it a relic, but what is it?
He s been talking weird and looking into the muzzle
It s so funny!
Stop him!
Get him to stop!
That s dangerous!

Like, what's with that?
don't we have to go on some trip with these guns?
Whatever.
81 Watches over heroes: Bounty Hunter
First come maintenance!
Then we can talk about that!
82 Watches over heroes: Assassin
Fix them up properly before you start using them.
can't we just shoot like this?
I dunno know how to maintain them,
84.Hero: Freeter
No you can't!
You can't shoot that!
Student, go google it!
Then post the instructions here!
!?
Huuuh? I don't wanna

88 Watches over heroes PSM
Huh?
89 Watches over heroes Bounty Hunter
Oh
90 Hero Freeter
What happened?
Woah!
What?!
There s like, a hole in the ceiling lol
The samurai fired the shotgun and fainted lol
92 Watches over heroes Assassin
Damn it!
Why didn t you stop him?!
93 Watches over heroes Bounty Hunter
We told you to stop him!

95 Watches over heroes: PSM
No, um...
I'll go get some smelling salts...
96 Hero: Freeter
Princess Shrine Maiden...
No, never mind...
97 Watches over heroes: Assassin
Screw it! I'm drinking!
I can't take this!
Like, whatever,
it's his own fault.
98 Watches over heroes: Student
So it was loaded and they stored it like that?
Scaaary!
no image
isn't that, like, bad?
Oh yeah, there's like, barely anything left,
100 Watches over heroes: Bounty Hunter
Over here if you have gunpowder, you can make more bullets, how does it work in the Earth series worlds?
101 Hero: Freeter
I think it's the same...
